HASN'T ANYONE
EVER TOLD YOU?
EVERYTHING IN
THIS WORLD IS ABLE
TO EXIST ONLY
BECAUSE OF
THE GUARDIANS.

Hello.

With some happiness and embarrassment, I present to you volume two of Flower Thieves. Hurray. To the people who offered me advice, the people who helped me along the way, the people who encouraged me and all of you who cheered me on. Thank you. I've loaded every ounce of my appreciation into every single page of this second volume. If you could, please come along for the ride.
